ABOUT

As a boy, I would dream about Arizona while reading Spring Training articles in the Milwaukee Journal. While Wisconsin was snowy, the Brewers were already out on the baseball field in Arizona. Finally, in 1986, I had the opportunity to attend Spring Training, and I was hooked from that moment on! Since then, our family has made the trip to Arizona almost every year to experience the beautiful weather, breathtaking landscapes, and of course, Brewers baseball! It truly is an amazing experience. That's why, in 2019, we decided to share our love for Arizona and Spring Training by opening up Arizona Baseball Tours. Our carefully crafted itineraries and personalized service guarantee an unforgettable journey from start to finish.

We hope you can join us on one of our tours.
