GAME TICKETS

Seat Locations

We do our best to purchase group tickets for seats that are in the shade and are stadium-style seats.

If You Have Friends on the Tour

If you have friends who are also on the tour, please let us know so we can arrange for your game tickets to be together.

Game Tickets

We always try to get physical paper tickets for all games and attractions for tour participants. However, many venues are transitioning from paper tickets to digital ticketing. We recommend that you install the MLB Ballpark app on your smartphone in the event we are not able to get paper tickets to games. If you have the Ballpark app, we can send the digital game tickets to you. If you don't have the Ballpark app, we can scan you into the game at the gate.

Ballpark App

Great organized trip. Enjoyed all the games. Loved all of the scenery and attractions we went to.

It was the right mix of things to do and time to do our own thing as well. Our hosts, Joel and Andy met all of our needs and are very organized. **Margo H***
