

2027 Brewers Spring Training Tour

March 14 – 20, 2027

ABOUT

Arizona Baseball Tours was founded in September 2019 with a simple mission: to help baseball fans experience the excitement of spring training through professionally planned, stress-free vacations.

The company's inspiration began much earlier. After attending his first spring training in 1986, Joel developed a lifelong passion for both spring training and Arizona. Over the years, Joel and Jennifer returned again and again, creating unforgettable memories while enjoying Cactus League baseball and exploring the beauty of the Southwest. Their experiences eventually inspired them to share that same enjoyment with fellow baseball fans.

Like many businesses, our journey has come with its share of challenges. We launched our first scheduled tour in 2020, but unfortunately had no customers. In 2021, operations were put on hold due to the COVID-19 pandemic. In 2022, our one-week tour was nearly sold out before the MLB lockout led to widespread customer cancellations. Despite the setback, we adjusted our itinerary and successfully operated a modified five-day sightseeing tour for eight guests.

Since then, Arizona Baseball Tours has experienced steady growth. In 2023, we welcomed 54 guests across two successful tours. The following year, we expanded to three tours and hosted 101 guests. Growth continued in 2025 with 141 guests, and in 2026, we reached a new milestone, serving 173 guests.

Today, Arizona Baseball Tours specializes in fully planned spring training vacations that combine great baseball, quality accommodations, local attractions, and personalized service. While our company has grown, our commitment remains the same: providing memorable experiences and bringing baseball fans together through a shared love of the game.

We are proud of how far we've come and excited about the future as we continue helping fans create their own spring training memories.

GAME TICKETS & STADIUM INFORMATION

Game Tickets

We always try to get physical paper tickets for all games and attractions for tour participants. However, many venues are transitioning from paper tickets to digital ticketing. We recommend installing the MLB Ballpark app on your smartphone in case we are unable to obtain paper tickets for games. If you have the Ballpark app, we can send the digital game tickets to you. If you don't have the Ballpark app, we can scan you in at the gate.

Seat Locations

We do our best to purchase tickets for seats that are in the shade and are stadium-style seats.

If You Have Friends on the Tour

If you have friends who are also on the tour, please let us know so we can arrange for your game tickets to be together.

Stadium Guidelines

Your tour folder will have copies of the stadium guidelines for each stadium we will visit on the tour, listing what is permitted and not permitted to bring into the stadium.

Stadiums Are Cashless

All Cactus League Stadiums are cashless. Make sure you have a debit or credit card with you if you want to purchase concessions or other items at the games.
